

CVI-Strategic Operations Group : [Order\_SOG]  
**Strategic Operations Account** [SOG\_A\_SO] : [Order\_SOG\_A\_SO]  
Strategic Operations Portfolio [SOG\_P\_SO] : [Order\_SOG\_P\_SO]

**Opportunity & Vision:**

- Enables a more options in the Strategic Operations Group Program Accounts & Portfolio Series with the corresponding major development program and projects. Minimizing disclosure, confidentiality and security clearance levels, while enabling pass through benefits, compensation and opportunity.
- This is an ideal place for program development, management and promotion of the big ideas and values that we identify with, agree on in essence and begin to work out much more detail on down the line for total logistics throughout the entire range of CVI-Options.
- For people that love larger than life projects, or simply projects and programs on a grand, national and noble scale, vital to the success of Canada, creating and protecting our capacity to secure worthwhile opportunities and carve out our magnificent destiny in the 21<sup>st</sup> century, as we work together to develop technology, products, organization and co-operative relationships that we can take a lot of pride in, this is the place, make no mistake about it.
- These ideals and values exist now with the CVI-Options, with the added advantage that with CVI-SOG it is a bigger picture, a symbol, a vision in the minds' eye that can grasp and understand the totality in a moment, with the choice of zooming in on something to know and understand the vast inter-related details of how it all fits together.
